Gene,

In your recent message on the Baltzegar Family, there was a reference to Joseph and Susannah Kreiter. I believe someone posed the question in one of the OGS GS newsletters if Kreiter and Crider were the same. Does anyone know if the men listed below from Pennsylvania are the KREITER/CRIDERS who were in Orangeburgh? The following information is taken from a book entitled "Ancestors of Frederick Darrell Laird and Margaret Adeline Lee and their Descendants" compiled by Wrenna McGehee Poirrier and Lessie McGehee Watkins:

Frederick Crider b 1764, Orangeburg District, South Carolina married Susannah Campbell or Gambrell b 1768 in South Carolina (1860 Census Franklin County, Mississippi).

In the 1860 census of Franklin Co., MS, Frederick is 94 and Susannah is 92. Family members have reported that Frederick lived to be 108 to 110.

"We found several Criders who were in the Revolution. These were found in the Mississippi DAR Traveling Library (DAR Patriot Index) Book No. 138 page 167.
